Dear Faculty & Staff:

As the Programming Coordinator in the Division of Student Affairs, I am the chairperson for *Who's Who Among Students In American Universities and Colleges* Committee for LaSalle University.

Last year several deserving students received recognition from *Who's Who Among Students In American Universities and Colleges*. La Salle University has had a proud tradition of nominating students who embody the spirit of our community. These people are outstanding students, leaders, and/or paraprofessionals.

I am asking you to nominate students for this prestigious award. Eligible students must have junior or senior year status. Graduate students are also eligible to be nominated. Students who are nominated should be academically sound and have a history of serving their community, or working to improve the world in which they live. This may seem like a daunting task but I am sure there are students who come to mind as you read this letter. Please send your nominations to me via email with the name of the student or students you are nominating.

The nominated students will be selected through a committee comprised of students, faculty and staff from LaSalle University. Letters will be sent to all the students who participated regarding their status in terms of selection for the program. The results of the committee's findings will be forwarded to the representatives from the *Who's Who Among Students In American Universities and Colleges* Program. The students who are selected for recognition will be honored at an awards ceremony in the Spring Semester.

All nominations should be received by via email or campus mail (University Life Box 835) by March 14, 2003. Please include the full name of the student(s) you are nominating. Please join us in continuing this tradition at LaSalle University by nominating the students you feel deserve this recognition. Thank you for your support in this endeavor.

Sincerely,

Christopher Kazmierczak

Re: Fall & Summer Requisitions

Textbook requisition forms for the Fall & Summer 2003 semesters are being forwarded to your department chairperson. We request that the completed forms be returned to us by April 4, 2003. Please keep in mind that we establish this date to allow time to organize our buy-back, which is April 28th to May 2nd, and to process orders to the publishers. We are asking for your cooperation so that we may place our orders early, and avoid out of stock problems that arise with late orders.

Presents

The Ven. Palden Gyatso

Wednesday, April 9
1 pm
Dan Rodden Theatre

Co-sponsored with the Department of Religion

Palden Gyatso was born in 1933 and raised in a small Tibetan village. At the age of eighteen, he became an ordained Buddhist monk at one of Tibet's most famous monasteries, Drepung Monastery. In 1959, when Communist China invaded Tibet, thousands of Tibetans who did not approve of the brutal occupation of their country were arrested and put in prison. Palden Gyatso was jailed by the Chinese authorities for being a "reactionary element."

Palden Gyatso spent most of the next 33 years in Chinese prison. Every time he would finish serving one of his long sentences, he would be re-arrested for taking part in political activities opposing the Chinese occupation. While in prison, Palden Gyatso endured violent physical and psychological torture. The Chinese authorities tried every means possible to break his spirit of resistance and his will to continue fighting for Tibetan freedom. He was beaten, shocked with electric cattle prods, and suspended from the ceiling above a burning fire.

Palden Gyatso never gave up his determination to fight for his country's freedom. In 1992, when he finally finished his last prison sentence, Palden Gyatso managed to escape to India, carrying with him some of torture instruments that had been used on him. Since his escape, he has traveled the world speaking to people about his horrendous experiences in jail and his continued mission to expose the injustice of the Chinese occupation of Tibet. He has testified in front of the United Nations Commission on Human Rights and the US Congress. Palden Gyatso is also the author of "The Autobiography of a Tibetan Monk" and "Fire Under the Snow: Testimony of a Tibetan Prisoner."
