MEMORANDUM

Date: March 7, 2003
To: To All Eligible Faculty
From: Bro. John McGoldrick
       Assistant Provost
Subject: Lindback Award Nominations

Since 1961, a generous award from the Christian R. and Mary F. Lindback Foundation has enabled La Salle to recognize excellence in teaching by members of its full-time faculty. The award is presented to a faculty member whose teaching is characterized by superior knowledge of the subject matter, vitality and inspiration in its presentation in class, and devotion to helping students realize their potential.

Nominations for the award are invited from members of the full-time faculty and students in all divisions and programs of the University. The final selection from those nominations is made by a committee composed of the Provost; the Deans of Arts and Sciences, Business, and Nursing; the President of the Faculty Senate; and the Vice President for Academic Affairs of the Students' Government Association.

The award is presented at the annual Commencement Ceremonies in May.

This announcement has been e-mailed to all faculty members in the past few days, along with a list of eligible faculty members and a nominating ballot. This ballot can be completed, printed, signed, and then delivered to Dr. Maryanne Bednar (Campus Box 227). Two other options are available:
- A printed version of the ballot and eligibility list are available in the Provost's Office (Administration 315), in the Continuing Studies Office (Benilde Hall, 1st floor), in the Office of the Dean of the School of Business Administration (College Hall 211) in the Office of the Dean of the School of Nursing (Wister Mezzanine), and at the Bucks County Center.
- Faculty will also be able to submit a nomination on line at www.lasalle.edu/lindback.

The deadline for nominations this year is Monday, April 7, 2003.

Thank you.
Dear Faculty & Staff:

As the Programming Coordinator in the Division of Student Affairs, I am the chairperson for Who’s Who Among Students In American Universities and Colleges Committee for LaSalle University.

Last year several deserving students received recognition from Who’s Who Among Students In American Universities and Colleges. La Salle University has had a proud tradition of nominating students who embody the spirit of our community. These people are outstanding students, leaders, and/or paraprofessionals.

I am asking you to nominate students for this prestigious award. Eligible student must have junior or senior year status. Graduate students are also eligible to be nominated. Students who are nominated should be academically sound and have a history of serving their community, or working to improve the world in which they live. This may seem like a daunting task but I am sure there are students who come to mind as you read this letter. Please send your nominations to me via email with the name of the student or students you are nominating.

The nominated students will be selected through a committee comprised of students, faculty and staff from LaSalle University. Letters will be sent to all the students who participated regarding their status in terms of selection for the program. The results of the committee’s findings will be forwarded to the representatives from the Who’s Who Among Students In American Universities and Colleges Program. The students who are selected for recognition will be honored at an awards ceremony in the Spring Semester.

All nominations should be received by via email or campus mail (University Life Box 835) by March 14, 2003. Please include the full name of the student(s) you are nominating. Please join us in continuing this tradition at LaSalle University by nominating the students you feel deserve this recognition. Thank you for your support in this endeavor.

Sincerely,

Christopher Kazmierczak
