Dear Faculty & Staff:

As the Associate Director of University Life in the Division of Student Affairs, I am the chairperson for Who's Who Among Students In American Universities and Colleges Committee for LaSalle University.

Last year several deserving students received recognition from Who's Who Among Students In American Universities and Colleges. La Salle University has had a proud tradition of nominating students who embody the spirit of our community. These people are outstanding students, leaders, and/or paraprofessionals.

I am asking you to nominate students for this prestigious award. Eligible students must have junior or senior year status. Graduate students are also eligible to be nominated. Students who are nominated should be academically sound and have a history of serving their community, or working to improve the world in which they live. This may seem like a daunting task but I am sure there are students who come to mind as you read this letter. Please send your nominations to me via email with the name of the student or students you are nominating.

The nominated students will be selected through a committee comprised of students, faculty and staff from LaSalle University. Letters will be sent to all the students who participated regarding their status in terms of selection for the program. The results of the committee’s findings will be forwarded to the representatives from the Who’s Who Among Students In American Universities and Colleges Program. The students who are selected for recognition will be honored at an awards ceremony in the Spring Semester.

All nominations should be received by via email or campus mail (University Life Box 835) by Friday, March 19, 2004. Please include the full name of the student(s) you are nominating. Please join us in continuing this tradition at LaSalle University by nominating the students you feel deserve this recognition. Thank you for your support in this endeavor.

Sincerely,

Christopher Kazmierczak
Associate Director of University Life
